

What is the Bee Network?

It is Greater Manchester's vision to create an integrated London-style transport system which will join together buses, trams, rail as well as cycling and walking.

The vision is to create the perfect neighbourhood and the Bee Network will connect up every area and community in Greater Manchester, making it easy, safe and attractive for people to ride, scoot, walk or wheel will create a transport system that joins up buses, trams, cycling, walking and rail.

The scheme will make trips by foot and bike a safe, pleasant experience, contributing to the delivery of the UK's largest cycling and walking network.

Consultation

Rochdale Borough Council has commenced a formal public consultation period of the proposed Castleton to Rochdale Active Travel Route. This will form a link from the current construction works directly to Rochdale town centre.

To access all of the consultation material, please visit:

<https://consultations.rochdale.gov.uk/research/the-bee-network-phase-2>

There will be also be public facing sessions at Number One Riverside from 4pm-7pm on the following dates:

- Thursday 3rd August
- Thursday 17th August

Progress

Phase Two of the Castleton-Rochdale walking and cycling corridor project has reached a successful completion with the footpath and cycleway construction now finished. Phase Three of the project is currently in progress and is scheduled to be completed by October 10th, 2023.

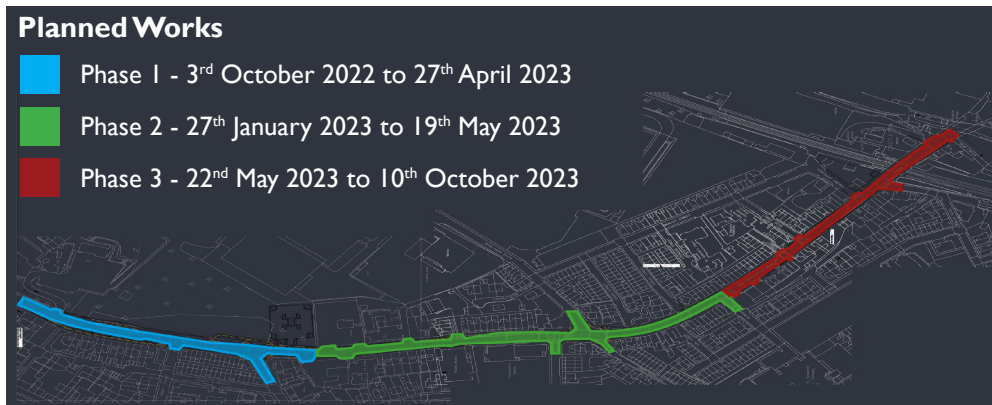

In the upcoming weeks, you will notice the commencement of carriageway resurfacing works, starting from The Royal Toby end of Manchester Road.

Once the carriageway resurfacing works are completed, the newly installed traffic signals at Nixon Street and Royle Barn Road Junction will be activated and put into operation.

Planned Works

- Phase 1 - 3rd October 2022 to 27th April 2023
- Phase 2 - 27th January 2023 to 19th May 2023
- Phase 3 - 22nd May 2023 to 10th October 2023
