

Setting Out Engineer

The Company

George Cox & Sons Ltd are a North West based civil engineering and highways contractor with over 70 years' experience. Specialising predominately in long-term framework contracts with Local Councils and Transport Authorities we have a proven track record of delivering high quality schemes. Due to our reputation of working in a safe, cost effective and collaborative manner we are repeatedly invited to participate in early contractor involvement and value engineering solutions.

The fourth-generation family business has a strong ethos of personal and professional development, coupled with a commitment to the communities it works with through its own, George Cox Foundation. The positive approach has been recognised in recent industry awards for collaborative working, project of the year and in 2020 we won the North West Family Business Award for Large Engineering.

We have recently been successful in securing long time frame works with Stockport, Bury, Bolton & Blackpool Councils.
