

Traffic Safety Officer

The Company

George Cox & Sons Ltd are a North West based civil engineering and highways contractor with over 70 years' experience. Specialising predominately in long-term framework contracts with Local Councils and Transport Authorities we have a proven track record of delivering high quality schemes.

Due to our reputation of working in a safe, cost effective and collaborative manner we are repeatedly invited to participate in early contractor involvement and value engineering solutions.

Incorporating a family value approach to our workforce and we believe in investing in our employees training. In 2019, we won the CECA North West "Project over £5m", and this year won the North West Family Business Award for Large Engineering.

We have recently been successful in securing long time frame works with Stockport, Bury, Bolton & Blackpool Councils.
